

# Preschool Weekly News

## August 21, 2015

### **This week we:**

- Practiced identifying our names / still learning routine
- Practiced the first letter of our names and the sound it makes
- Practiced putting things back where they belong

### **NEXT WEEK WILL:**

- Will continue practicing our names 😊
- Start "show and share" (see bulldog folder for daily schedule)  
Thank you for participating 😊
- Read books and do activities with the stories
- Show and Share next week: Bring something round

### **Reminders:**

- Please read at home and document the books in their bubblin' journals so your child can get a gum ball 😊
- Getting children put on the buses is going smooth this week 😊 thank you for letting us know when their routine changes!
- Please continue checking your child's Bulldog folder each day and returning it the next day with items you would like us to receive. Thanks.

### **At Home ideas to promote communication and learning:**

- Turn off the TV/cell phone and talk to your child about their day at school.
- When you talk to your child use eye contact and have them look at you too. Have your child practice talking to you using an indoor voice when you are communicating.
- Eat supper together as a family. Have your child help prepare a meal and set the table. Kids love to help in the kitchen.
- Take a walk around the neighborhood and notice/talk about how the season is changing and what happens when it rains.
- Read! Read! Read! Help your child find the letters in their name.

Sincerely, Mrs. Gard
